[LifePlan](#) is in **Jericho, New Hampshire** is a comprehensive financial planning and wealth management firm providing objective financial planning advice. **We** offer it all retirement planning, estate planning, and insurance planning. LifePlan is a comprehensive financial planning and wealth management firm providing objective financial advice.

We offer very attentive service and highly creative solutions suited to your unique situation and place an emphasis on client education and empowerment. Your clients tell us they appreciate our ability to explain the complexities of the financial world in a way that is meaningful and easy to understand. Our mission is to help you to overcome uncertainty, take control of your finances and move confidently toward your goals.

Some managing your finances today, let alone planning for what tomorrow may bring, doesn't happen automatically — or easily. Squeezed by the demands of daily life, you may know the importance of planning for a secure financial future, but have placed it on the back burner. The good news is that financial planning doesn't have to be an overwhelming burden. It is a tool that's available to everyone, rather than a luxury for a select few.
